Clinical Director

The Good Shepherd Center, a non-profit charity providing service to vulnerable members of society in the Albuquerque metropolitan area since 1951, is seeking a Clinical Director. The Clinical Director is responsible for management of the Good Shepherd Center (GSC) counseling services, management of the Center's substance abuse recovery program (Fresh Start Program), and oversight of the Housing Re-establishment Program. Responsibilities include direction of counseling and program staff.

The Director supervises and performs client assessments and substance abuse counseling, and conducts individual/group sessions, applying the Matrix Model Treatment Plan. Group sessions follow a comprehensive treatment approach. Cooperates with various probation, court system, employment and other authorities to provide a safe and effective recovery program, ensuring successful outcomes for clients.

Qualification Requirements:

- State of New Mexico License to perform mental health and substance abuse counseling services
- Certification as a mental health Counselor (LCSW or LPCC). **NOTE:** Experience providing Cognitive Behavioral Therapy (CBT) is desirable.
- Demonstrated ability to work with individuals experiencing substance abuse and related issues
- Knowledge of the 12-Step Process of AA/NA to provide oversight of its application
- Ability to supervise the work of counseling and program staff
- Ability to implement and direct the application of methods designed for the recovery process
- Excellent verbal, written, and interpersonal communication skills to work effectively with individuals from diverse backgrounds
- Ability to obtain certification in CPR and First Aid if not certified when hired
- If recovering from addiction, must have continuous sobriety
